SOUND HANDS + CLAUDE

Ambit: Quartet

iPhone

Four ambient instruments in one iPhone app, each listening to a different invisible field around you. Aether Wave plays the Bluetooth radio in the room, Bellweathered drones the weather, Leitmotif turns your phone's own data traffic into a melody, and Orbitakt drums the satellites passing overhead. A pad on the home screen leans the mix toward one voice.

WHAT?

Matt and I have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. *Sam (and Matt)*

WHAT?

Matt and I have been using Claude to make weird stuff. AI chatter is all money-making or doom; the space in between seemed far less seen. So: strange little apps, some useless, some real tools, some performance pieces, plus our own music and paintings. *Sam (and Matt)*
